Dear Dr. Gonzales,

I was very pleased to learn that you will be able to represent the International Hospital Federation at the Twelfth Session of the Economic and Social Council, to be held in Santiago, Chile, on Tuesday, February 20th, 1951. I have now asked Dr. Smelzer to forward the relevant papers to you.

I should be most grateful if you could let me have a brief account of the proceedings of the meeting as far as it concerns the International Hospital Federation.

With many thanks for your kind assistance,

Sincerely yours,

Hon. Secretary and Treasurer.
