Dear Dr. Gonzalez:

I take pleasure in telling you that the Board of Trustees of the W. K. Kellogg Foundation has approved the request of the University of Concepción Faculty of Medicine for a grant of approximately \$2,850.00 with which to purchase additional equipment for the Department of Physiology and for the clinical diagnostic laboratory of the university hospital. The items of equipment to be purchased and the approximate cost with insurance and transportation charges are listed below.

<u>Item</u>	<u>Cost</u>
Flame Photometer Model DB-2 and accessories	\$1,319.00
Coleman pH Electrometer and accessories	335.00
Kjeldahl Digestion Apparatus and accessories	134.00
Coleman Electronic Photofluorometer	572.15
Accessories for Bechman Spectrophotometer	163.00
Transportation and Insurance	<u>327.00</u>
Total	\$2,850.00

I wish to assure you that it is a pleasure to the Foundation to cooperate with the University of Concepción Faculty of Medicine and with you personally. We have all followed with much interest the development of your Department of Physiology into one of the best in the Western Hemisphere and the strengthening of your clinical faculty, and we wish to congratulate you and your colleagues upon your success.

The Foundation fellows from the University of Concepción have all made excellent records in the United States and they have been good diplomatic representatives. The Foundation is very proud of the splendid contribution that they are now making to professional education and service in Chile.

Your friends at the Foundation remember your visit to Battle Creek several years ago with pleasure. We hope that you will honor us with another visit in the near future.

Sincerely,

*Benjamin G. Horning*
