Dear Iggie:

It is good to hear from you and I certainly hope that you will accept membership on the Advisory Committee for the new project.

I am just back from a meeting in Chicago and Dr. Almenara had come up from Peru. It looks as though we are finally getting something underway which, I believe, will benefit all of us. I have agreed to act as chairman of the Advisory Committee at least, temporarily.

We will be looking forward to seeing you in the not too distant future. Every good wish to you and Mary from Louise and myself.

Sincerely,

Robin C. Buerki, M.D.
